Company Highlights

SecureSearch is a premier online pre-employment , volunteer and tenant screening service used by Human Resource Professionals, Hiring Managers, Volunteer Recruiters, Staff Recruiters, Leasing Managers, and Investors. Our customers rely on our fast, compliant, and accurate profiles to make critical decisions. All of our screening services offer the convenience of securely submitting requests and accessing profile reports 24 hours a day, 7 days a week, from anywhere with an Internet connection.

SecureSearch is committed to creating a safer and more secure workplace and living environment through the responsible use and dissemination of information. All of our business practices are FCRA compliant and our technology platform is HR-XML CONSORTIUM CERTIFIED.

Our web-based, user-friendly, state-of-the-art service enables you to easily order background checks and other screening services online, view reports in progress, receive flagged "hit" notifications, and securely retrieve completed profile reports.

We are delighted to customize a package designed with your specific needs in mind. Our flexible ordering system delivers your background check profiles quickly and easily, while the in-depth administrative reports provide all the necessary data to effectively manage the screening process, all at a very reasonable price.
