Company Highlights

Surge Solutions Group is a state Certified General Contractor and Pollutant Storage System Contractor. Surge is also a member of the Indoor Air Quality Association as certified air quality and mold remediation contractors. Surge performs commercial construction and design-build in Florida in both public and private market sectors. We are on the preferred vendors list for many insurance carriers and have extensive experience with adjusters and estimating for insurance claims. We will deal directly with your insurance company and provide a complete turnkey experience from start to finish. No job is too large or too small from complete new construction, to additions to existing construction as well as remodeling and renovation and remediation! Professional affiliations: PEI, NAFPA, FPMA, IAQA
